## NATURAL HISTORY JOURNEY OF BORNEAN ORANGUTAN 4D3N TO TANJUNG PUTING, CENTRAL KALIMANTAN, INDONESIAN BORNEO

Tanjung Puting - Sekonyer River -  
Camp Leakey

### Description

The Orangutan tours we provide are not only holidays, but a truly special window into human evolution. Orangutans, the only great ape in Asia, share 97% of their DNA with human beings and fittingly, 'orangutan' means man of the forest. The Orangutan Guided Tours highlight all of our shared similarities with these special great apes.

We will visit 3 Orangutan feeding stations. We deeply respect the Orangutans so there is no initiating contact with them. However, sheer awe and amazement are encouraged! We provide truly unique wildlife experiences, and most importantly, the opportunity to see Asia's Great Apes. Staying on the traditional wooden houseboat called Kelotok is an unforgettable memory that will last a lifetime.

## SCORING BIRDS AND PRIMATE EXPLORATION 5D4N TO TANJUNG PUTING, CENTRAL KALIMANTAN, INDONESIAN BORNEO

Tanjung Puting - Sekonyer River -  
Camp Leakey

### Description

The Orangutan species that live in Tanjung Puting National Park is Pongo pygmaeus which is endemic to this island. The habitat continues to vanish at an extremely high rate. Taking all of this into account, orangutan rehabilitation centers have been established to ensure the survival of this animal.

We will visit 3 Orangutan feeding station in Tanjung Harapan, Pondok Tanggui and Camp Leakey. Doing some trekking in the jungle, and observing wildlife and birdwatching around the river bank using a houseboat. Proboscis monkey, Long-tailed macaque, and some birds are the list of animals you may see along the ride. More than 200 birds listed, including the critically endangered Storm Stork. Touching a black water river on Sungai Sekonyer Kanan and sleeping overnight on the traditional houseboat called Kelotok.

### Tourist Attraction
